LEONEL PEREIRA
Manager

As we embark on our 2026 campaign, we Remain Committed to our values of Constant Innovation, Pioneering Design and Engineering, for Developing New Products. By Collaborating with Expert Anglers, we are able to Continuously Improve and Create Unique Tackle, Adapt to different Markets and their Requirements, and remain Committed to Sustainable Fishing. This Advances our Reputation and Legacy in the Industry.

Rod in hand, Peace of Mind, and Heart on Full Throttle.

Afrontamos esta nueva campaña 2026 siguiendo nuestra línea de Innovación Constante, Diseño e Ingeniería de Vanguardia, Desarrollo de Nuevos Materiales, Colaboraciones con Expertos Pescadores para una Mejora Continua y Creación de Productos Únicos, Adaptación a distintos Mercados y sus Modalidades, Compromiso con la Pesca Sostenible avanzando en Prestigio, Legado y Reputación en la Industria.

La Caña en la mano, la Mente en Paz y el Corazón al Máximo.

Nous affrontons cette nouvelle saison 2026 en suivant notre ligne d'Innovation Constante, de Conception et d'Ingénierie de Pointe, de Développement de Nouveaux Matériaux, Collaboration avec des Pêcheurs Experts pour une Amélioration Continue et la Création de Produits Uniques, Adaptation à différents Marchés et à leurs Modalités, Engagement en Faveur d'une Pêche Responsable, tout en Renforçant notre Prestige, notre Héritage et notre Réputation dans le Secteur.

La Canne à la main, l'Esprit en Paix et le Cœur à Fond.

PARTICULAR CONDITIONS

Artfishing, S. L. is not responsible for the loss or deterioration of the goods if it is not specified in the delivery note. Claims will not be accepted more than 24/48 hours after receipt. Claims to the transport company, either for breakage/damage or missing packages, which are not stated at the time of delivery on the receipt, cannot be claimed to the insurance company, being invalidated by Artfishing, S. L. such replacement.

Incoterm EXW, except under agreed conditions.

In the event of late payment or non-payment, the legal rate of interest will be charged, plus two percentage points, plus return costs and the associated financial cost (minimum €18).

In the case of return of goods, including repairs, will only be accepted carriage paid when Artfishing, S. L. authorizes such return, always through our transport agency, and by means of a number expressly indicated by the company. The consumer shall have a period of 14 days to return these products. In all cases, an explanatory note must be attached. The cost of repairs and return costs shall be supported by the customer.

Any goods returned by a different procedure than the one established will be rejected. In the case of unjustified returns of goods, administration and handling costs will be deducted, with a minimum of 10 % of the corresponding credit note, plus the associated shipping costs. Returns of items not listed in this catalogue will not be accepted.

Any type of tax, whether direct or associated, is not included in the prices shown in this catalogue. The prices in this catalogue cancel the previous ones.

Artfishing, S. L. reserves the right to modify the products or prices presented in this catalogue without prior notice, if necessary. All diameters and resistances given are approximate values. Carbon is an electrically conductive material, do not use products containing carbon in the vicinity of power lines or on stormy days. All rights reserved. The total or partial reproduction of texts and images without the express authorisation of Artfishing, S. L. is forbidden.

Retention of title: The goods supplied shall remain the property of the seller until the buyer has paid the full amount and there's no balance remaining to pay.

The acceptance and discounting of bills of exchange or the delivery by the buyer of documents creating an obligation to pay, such as cheques, promissory notes, etc., does not constitute payment until they have been debited from the buyer's account. In the event of seizure by third parties, the buyer undertakes to inform the seizer of the "Retention of Title" clause on the goods supplied by the seller, and the seller of the seizure that has taken place.

Retention of title clauses provides that the ownership of goods remains on the seller until payment has been made. In the event of a seizure by third parties, the buyer undertakes to inform the seizer of the "Retention of Title" clause, about the goods supplied by the seller, and the seller informed about the seizure that has taken place.

Jurisdiction: By express conviction, any disputes that may arise shall fall within the jurisdiction of the Courts of Barcelona, with express waiver of all others.

CONDICIONES PARTICULARES

Artfishing, S. L. no se responsabiliza de la pérdida o deterioro de la mercancía si no se especifica en el albarán de entrega. No serán aceptadas reclamaciones después de 24/48 horas de la recepción de la misma. Las reclamaciones a la empresa de transporte, ya sea por rotura/golpe o por falta de algún bulto, que no se hagan constar en el momento de la entrega en el comprobante, no podrán ser reclamadas a la empresa aseguradora, quedando invalidada dicha sustitución por Artfishing, S. L.

Portes: Incoterm EXW, salvo condiciones pactadas.

En caso de demora o impago, se devengará el tipo legal del dinero, incrementándolo en dos puntos porcentuales, más los gastos de devolución y el coste financiero asociado (mínimo 18€).

En el caso de devolución de mercancía, incluyendo reparaciones, sólo se aceptará a portes pagados cuando Artfishing, S. L. autorice dicha devolución, siempre a través de nuestra agencia de transporte, y mediante un número indicado expresamente por la empresa. El consumidor dispondrá de un periodo de 14 días para devolver dichos productos. En todo caso deberá adjuntarse una nota explicativa. El coste de las reparaciones y los portes correrán a cargo del cliente

Cualquier mercancía devuelta por procedimiento distinto al establecido será rechazada. En devoluciones de mercancía no justificadas se deducirán los gastos de administración y manipulación, con un mínimo del 10 % del abono correspondiente, más los portes asociados. No se aceptarán devoluciones de artículos que no figuren en el presente catálogo.

Cualquier tipo de impuesto, ya sea directo o asociado, no está incluido en los precios reflejados en este catálogo. Los precios de este catálogo anulan los anteriores.

Artfishing, S. L. se reserva el derecho de modificaciones en los productos o precios presentados en este catálogo, sin previo aviso, en caso necesario. Todos los diámetros y resistencias indicados en el mismo son valores aproximados. El carbono es material conductor de electricidad, no utilizar productos con dicho material en proximidades de tendidos eléctricos ni en días de tormenta. Todos los derechos reservados. Prohibida la reproducción total o parcial de textos e imágenes sin la autorización expresa de Artfishing, S. L.

Reserva de dominio: Las mercancías suministradas serán propiedad del vendedor, hasta que el comprador haya completado el pago del importe y no exista saldo a favor del vendedor.

No constituye pago la aceptación y descuento de letras o la entrega por parte del comprador de documentos que creen una obligación de pago, tales como cheques, pagarés, etc., hasta que hayan sido debitados en la cuenta del comprador. En caso de embargo por parte de terceros, el comprador se compromete a informar al embargante de la cláusula de "Reserva de Dominio" sobre las mercancías suministradas por el vendedor, y al vendedor, del embargo que ha sido objeto.

Jurisdicción: Por convicción expresa, los litigios que pudieran surgir serán competencia de los Tribunales de Barcelona, con renuncia expresa de todos los demás.

CONDITIONS PARTICULIÈRES

Artfishing, S. L. n'est pas responsable de la perte ou de la détérioration des marchandises si cela n'est pas spécifié dans le bon de livraison. Les réclamations ne seront pas acceptées plus de 24/48 heures après leur réception. Les réclamations auprès du transporteur, que ce soit pour casse/dommage ou colis manquant, qui ne sont pas mentionnés au moment de la livraison sur le reçu, ne peuvent pas être réclamées à la compagnie d'assurance, étant invalidées par Artfishing, S. L. un tel remplacement.

Expédition : Incoterm EXW, sauf conditions convenues.

Le taux d'intérêt légal peut être utilisé comme base pour fixer un taux d'intérêt minimum applicable en cas de retard de paiement, majoré de deux points de pourcentage, ainsi que les frais de remboursement et le coût financier associé (minimum 18,00 Euros).

En cas de retour de marchandises, y compris les réparations, ne seront acceptées en port payé que, lorsque Artfishing, S. L., autorise ce retour, toujours par l'intermédiaire de notre agence de transports, et au moyen d'un numéro expressément indiqué par l'entreprise.

Le consommateur dispose d'un délai de 14 jours pour retourner ces produits. Dans tous les cas, une note explicative doit être jointe. Les frais de réparation et d'envoi sont à la charge du client. Toute marchandise retournée selon une procédure différente de celle établie sera rejetée.

En cas de retour injustifié de marchandises, les frais de gestion et de manutention seront déduits, avec un minimum de 10 % de l'avoir correspondant, ainsi que les frais d'expédition associés. Les retours d'articles que ne figurant pas dans le présent catalogue, ne seront pas acceptés.

Tout impôt direct ou indirect, taxe ou droit, n'est pas compris dans les prix indiqués dans ce catalogue. Le présent catalogue des prix annule et remplace les précédents. Artfishing, S. L. se réserve le droit de modifier les produits ou les prix présentés dans ce catalogue sans préavis, si nécessaire. Tous les diamètres et résistances indiqués sont des valeurs approximatives. Le carbone est un conducteur d'électricité. N'utilisez pas l'équipement contenant du carbone à proximité de lignes électriques ou en jours d'orage.

Tous les droits sont réservés. Toute reproduction totale ou partielle de ces éléments, effectuées sans autorisation expresse par Artfishing, S. L., est interdite. Les marchandises livrées restent la propriété du vendeur jusqu'à paiement total, et qu'il n'y ait plus de solde en retard de paiement.

L'acceptation et l'escompte de lettres de change, ou la remise par l'acheteur de documents créant une obligation de payer, tels que chèques, billets à ordre, etc. ne constituent un paiement que lorsqu'ils ont été portés au débit du compte de l'acheteur.

En cas de saisie par un tiers, l'acheteur s'engage à informer le saisissant de la clause de "réserve de propriété" des marchandises fournies par le vendeur, et à avertir le vendeur de toute saisie pratiquée par un tiers.

Juridiction : par conviction expresse, tout litige éventuel relève de la juridiction des tribunaux de Barcelone, avec renonciation expresse à toute autre juridiction.

The Spinning rods don't properly work in the area between the 60 and 90 degrees of curvature **(RED ZONE),** so any fishing action between these angles must be avoided. If the manufacturer's advised limits when handling catches or lures are surpassed, **the damages will not be covered by the guarantee,** because of the undue use of the rod.

Las cañas de *Spinning* no trabajan correctamente en la zona comprendida entre 60º y 90º de curvatura **(RED ZONE),** por lo que se debe evitar cualquier acción de pesca entre ambos ángulos. Si se sobrepasaran estos límites aconsejados por el fabricante al manejar señuelos o capturas, y se produjera una rotura, **la garantía no cubrirá los daños** por la utilización indebida de la caña.

Les cannes de Spinning ne fonctionnent correctement dans la zone comprise entre les 60º et 90º de courbure **(RED ZONE),** dont on doit éviter toutes actions de pêche entre ces angles. Si on surpasse les limites conseillées pour le fabricant en travaillant avec des leurres ou captures, **la garantie ne couvrira les dommages,** pour l'usage incorrect de la canne.

High Resistance Line / Línea de Alta Resistencia / Fil d'Haute Résistance

Extra Resistance Line / Línea Extra-Resistente / Fil Extra Résistant

Salt Water Resistance Line / Línea Resistente al Agua Salada / Fil Résistant à L'Eau Salée

UV — U.V. Resistance Line / Línea Resistente a los rayos U.V. / Fil U.V. Résistance

Abrasion Resistance Line / Línea Resistente a la Abrasión / Fil Résistant Abrasion

Extra Abrasion Resistance Line / Línea Extra-Resistente a Abrasión / Fil Extra Abrasion Résistance

Knot Strength Line / Línea Resistente al Nudo / Fil Nœud Resistant

Ultra Knot Strength Line / Línea Ultra-Resistente al Nudo / Fil Ultra Résistant Nœud

Spool made with recycled material / Bobina fabricada con material reciclado / Fabriquée avec des matériaux recyclés

Round Braided Line / Línea Trenzada Redonda / Fil Tressé Rond

FISHING STRENGTH

The strength indicated on it has been studied on illustrative way, based on fishing action* to allow that you can try the exact diameter that you will need. The diameters has been calibrated by information technology. *Based on parameters as weight and strength of fish combining use of line with rod, reel, length and natural fresh/salt water strength.

La resistencia indicada en los hilos ha sido estudiada de forma orientativa y basada en la acción de pesca*, para que puedas escoger el diámetro justo. Los diámetros han sido calibrados mediante computación. *En base a parámetros como el peso y la resistencia del pez con el uso combinado del sedal con la caña, carrete, longitud empleada, resistencia natural del agua salada/dulce.

La résistance indiquée en eux a été étudiée de manière orientée et basée sur l'action de pêche * afin que vous puissiez choisir le bon diamètre. Les diamètres ont été calibrés par calcul. * Basé sur des paramètres tels que le poids et la résistance du poisson lors de l'utilisation combinée de la ligne avec la canne, le moulinet, la longueur utilisée, la résistance naturelle de l'eau salée et de l'eau douce.

THE FLUOROCARBON INVENTOR
IT CAN'T BE SEEN

EL INVENTOR DEL FLUOROCARBONO
NUNCA SE VE

L'INVENTEUR DU FLUOROCARBONE
VOUS NE VOYEZ JAMAIS

Virtually Invisible. Almost indestructible. Fish won't realise about the trick, and you'll get a sure catch. As the inventor and world leader in fluorocarbon line, we've developed exclusive resins and extrusion technology. Thus making Yuki Seaguar fluorocarbons better than monofilament and stronger and more durable than other fluorocarbons. Seaguar is 100% fluorocarbon, 100% incredible.
Virtualmente Invisible. Casi Indestructible. El pez no se percatará de su captura y sabrás que puedes luchar con él sin temor. Como inventor y líder mundial en la línea de fluorocarbono, hemos desarrollado resinas exclusivas y tecnología de extrusión. Hacemos que los fluorocarbonos Yuki Seaguar sean superiores al monofilamento, más fuertes y duraderos que otros fluorocarbonos. Seaguar 100% t fluorocarbono, 100% increíble.
Virtuellement Invisible. Presque Indestructible. Le poisson ne se rendra pas compte qu'il était coincé, et vous saurez que vous pouvez vous battre avec lui sans crainte. En tant qu'inventeur et leader mondial de la ligne des fluorocarbures, nous avons développé des résines exclusives et une technologie d'extrusion. Nous fabriquons des fluorocarbures Yuki Seaguar supérieurs au monofilament, plus solides et plus durables que les autres fluorocarbones. Seaguar 100% fluorocarbone, 100% incroyable.

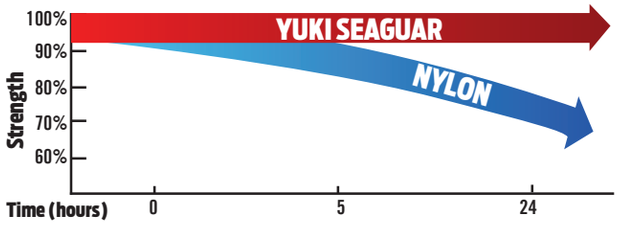

MULTIDIRECTIONAL POLYMER STRUCTURE

YUKI SEAGUAR
Higher Knot Strength

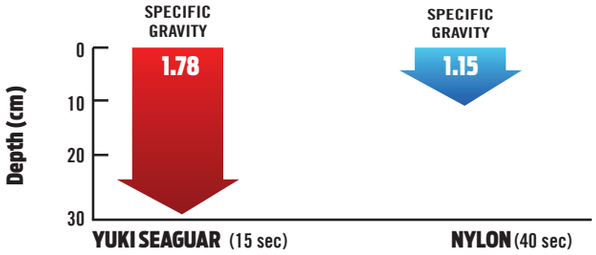

OTHERS
Weak Knot

ALMOST WATERPROOF
PRÁCTICAMENTE IMPERMEABLE
PRESQUE IMPERMÉABLE

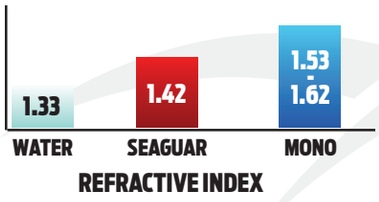

Yuki Seaguar lines maintain its original quality while nylon line loses its strength and becomes thicker in water. Las líneas Yuki Seaguar mantienen su calidad original, mientras que la línea de nylon pierde fuerza y se vuelve más espesa en agua. Les lignes Yuki Seaguar conservent leur qualité d'origine, tandis que la ligne en nylon perd de la solidité et devient plus épaisse dans l'eau.

SINKS FASTER
HUNDIMIENTO RÁPIDO
EFFONDREMENT RAPIDE

Yuki Seaguar lines get to the bite zone faster. Las líneas Yuki Seaguar permiten llegar a tu zona de pesca más rápido. Les lignes Yuki Seaguar vous permettent d'atteindre votre zone de pêche plus rapidement.

VIRTUALLY INVISIBLE
VIRTUALMENTE INVISIBLE
VIRTUELLEMENT INVISIBLE

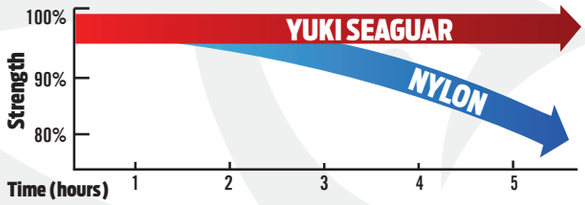

REFRACTIVE INDEX

The closer the refractive index is to the water, the harder is it for the fish to see. Cuanto más cerca esté el índice de refracción del agua, más difícil es para los peces verlo. Plus l'indice de réfraction del'eau est proche, plus, difficile pour le poisson de voir.

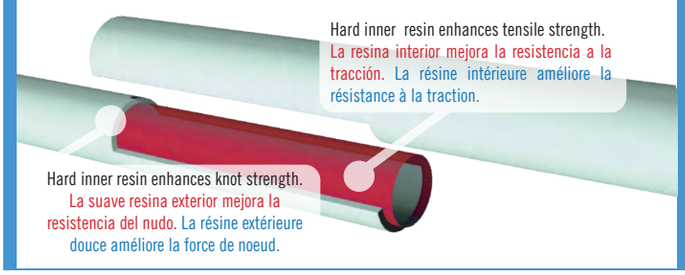

OPTIMAL TENSILE STRENGTH
RESISTENCIA ÓPTIMA A LA TRACCIÓN
RÉSISTANCE À LA TRACTION OPTIMALE

Yuki Seaguar lines maintain optimal tensile strength because they absorb less water. Las líneas Yuki Seaguar mantienen una resistencia a la tracción óptima porque absorben menos agua. Les lignes Yuki Seaguar conserventune résistance à la traction optimale car elles absorbent moins d'eau.

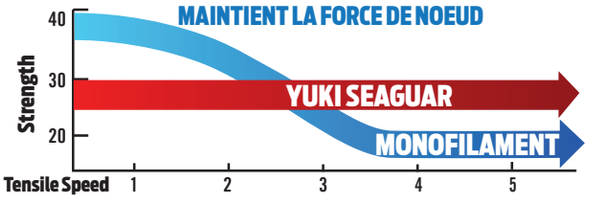

UNIQUE DOUBLE STRUCTURE
DOBLE ESTRUCTURA ÚNICA
DOUBLE STRUCTURE UNIQUE

Hard inner resin enhances tensile strength. La resina interior mejora la resistencia a la tracción. La résine intérieure améliore la résistance à la traction.

Hard inner resin enhances knot strength. La suave resina exterior mejora la resistencia del nudo. La résine extérieure douce améliore la force de noeud.

MAINTAINS KNOT STRENGTH
MANTIENE LA RESISTENCIA DEL NUDO
MAINTIENT LA FORCE DE NOEUD

Maintains knot strength in high-speed connecctions and hook-sets. Mantiene la resistencia del nudo en conexiones para altas velocidades y enganches rápidos. Maintient la force du noeud dans les connexions pour des vitesses élevées et des crochets rapides.

YUKI FISHING

The strength indicated on it has been studied on illustrative way, based on fishing action* to allow that you can try the exact diameter that you will need. The diameters has been calibrated by information technology. *Based on parameters as weight and strength of fish combining use of line with rod, reel, length and natural fresh/salt water strength.

HOOKS

ANZUELOS
HAMEÇONS
ANZOIS
KAKEN

MADE IN JAPAN

Made in Japan with the latest technology, YUKI hooks are the fisherman's perfect weapon for both sea and freshwater. Manufactured with an special combination of carbon material that gives them the highest resistance against the biggest strains, also on the extremely fish opposition. Chemically sharpened to multiply the hooking success, makes YUKI hooks an accessory range without precedent. The surface treatment prevents corrosion on extreme conditions and gets a perfect bait presentation on the bait and rig. The big range of models and sizes cover all sea fisherman requirements as on surf casting, float, boat or competition in fresh and saltwater fishing

SYMBOLOGY

SOLAR X BATTERY

Solar deep cycle battery, ideal for use with LED lamp, thanks to its small size and long useful life (30% higher than AGM batteries stationary).
Batería solar de ciclo profundo, ideal para su uso con la lámpara de leds, gracias a su reducido tamaño y muy larga vida útil (30% superior que las baterías AGM estacionarias).
Batterie solaire de cycle profond, idéal pour l'usage de lampe Leds, grâce à sa taille réduite et sa grande autonomie (30% supérieur que les batteries AGM stationnaire).

LUX COOLER

Revolutionary cooler that has the best features on the market, no other cooler can compare. Very sturdy with its thick thermal insulation and sealing layers used in the fabrication process. Keeps the cold up to 10 days! Attention to detail, it has practical rubber fixing locks, resistant and easy to use, non-slip rubber legs, drain plug that allows the total drainage of the cooler, and also sturdy and comfortable transport handles. The 90, 120 and 140 liters version also have rubber transport wheels and an extractor valve for the internal air. ¡The best cooler in the world!

Revolucionaria nevera que mejora las prestaciones de cualquier otra existente en el mercado. Muy robusta, gracias a las gruesas capas de aislamiento térmico y sellado empleados en su fabricación, ¡aguanta el frío hasta 10 días! Cuidada al máximo en cada detalle, dispone de prácticos cierres de fijación de goma resistentes y fáciles de manejar, patas de goma antideslizantes, tapón de desagüe con orifico de salida inclinado que permite el vaciado total del interior, así como robustas y cómodas asas de transporte. Las versiones de 90, 120 y 140 litros disponen de ruedas para el transporte y válvula extractora del aire interior. ¡La mejor nevera del mercado!

Frigo révolutionnaire qui meilleure les avantages de toutes les autres qui sont dans le marché. Très robuste grâce à l'épaisse couche d'isolation thermique et scellage utilisés dans sa fabrication. Préserve le froid jusqu'à 10 jours! Maintenue au maximum dans chaque détail, elle a des pratiques fermetures fixation à caoutchouc anti dérapage résistants et faciles à utiliser, jambes de caoutchouc anti dérapage, bouchon de vidange avec orifice de sortie qui permet de vider totalement l'intérieur, et aussi robustes et confortables poignées de transport. Les versions de 90, 120 et 140 litres ont des roues pour le transport et valve d'extraction pour l'aire intérieure. ¡La meilleur frigo du marché!

MICROPORE ELASTIC 3/4 MT

Micropore hollow elastic with special internal liquid. Technically designed for maximum performance and durability, allowing that in fishing action. This elastic behavior is much more regular and uniform, facilitating the recovery of the catch much more quickly, reducing the risk of losing them

Elástico microporoso hueco con líquido interno. Técnicamente diseñado para obtener el máximo rendimiento y durabilidad, mostrando en acción de pesca un comportamiento mucho más regular y uniforme y facilitando la recuperación de las capturas mucho más rápido, minimizando el riesgo de pérdida

Gamme d'élastique creux microporeux avec liquideinterne. Techniquement conçu pour optimiser les rendements et durabibilité durant l'action de pêche, leur comportement est beaucup plus régulier et uniforme, ce qui facilite la rècupération de leurs prises beaucoup plus rapidement, sans risque de les perdre.
